

Requirements for the minor in STATISTICAL SCIENCE, 2016-2017

All courses to be applied to the minor must be completed on a letter-grade basis. This includes both courses offered in Probability and Statistics and those offered by other departments and applied to the minor.

PREPARATION

UNITS

Math 3A-B, 4A-B	16	
Math 6A and 8*	9	

Note: Math 3A-B, 4A-B and Math 8 must be completed with a grade of C or above.

***Note:** Either Math 4A, 4B, 6A, or 6B must be completed with a grade of "B" or better in order to take Math 8.

UPPER-DIVISION

20 UD units are required, distributed as follows:

PSTAT 120A (or W 120A)	4	
PSTAT 120B-C, or 120B and 126, or 160A-B	8	
Elective UD PSTAT courses	8	

Up to 4 of the elective units may be in a related department subject to the approval of the Statistics and Applied Probability undergraduate advisor.

Note: PSTAT 109 and 193 will NOT be counted towards the minor.

Substitutions and waivers are subject to approval by the chair or the undergraduate advisor of the department.

Students must consult the *General Catalog* for prerequisites to required courses.

The following conditions must also be met for official recognition of the minor:

- The sponsoring department reports completion of the minor prior to the posting of the degree.
- At least 18 upper-division quarter units are completed for the minor. (Waivers cannot reduce the requirement below this number.)
- At least 12 of the upper-division units for the minor are completed while in residence at UCSB.
- The UC grade-point average in **ALL** applicable upper-division courses, including those in excess of minimum requirements, is 2.0 or higher.
- No more than 5 upper-division units overlap between this minor and the upper-division portion of the major(s) or other minor(s). If overlap is greater with the major(s), completion of the minor will not be formally recognized; if overlap with other minor(s) is greater, only the first minor reported will be recognized.
